

LearningExpress Library

Use LearningExpress Library to:

- Prepare for the **GED Exam** with practice tests or with reading, math, and writing exercises.
- Practice for the **ACT, SAT,** and other college, graduate school, and military entrance exams (**ASVAB**)
- Practice the **civil service, EMS, real estate license, teacher, nursing, postal worker or firefighter** tests.

LearningExpress Library provides practice tests, online tutorials, and general advice for school, college and career-building. Take the tests as many times as you want, and explore the tools to help you improve your score.

To enter LearningExpress Library:

- Start at the Forbes Library home page (<http://www.forbeslibrary.org>)
- Click on Online Databases under Research in the navigation bar.
- At the Online Databases page, click the "LearningExpress Library" link.
- Enter your library card number (as your username) and a password that you will remember.

Note: You will have your own user account so you can save your tests and track your progress. Click the "New Users" button to create your account. Later, you can click the "Returning User" button to sign in.

Users can choose a test by category.

Sign In Here.

Type in your library card # and a password that you will remember.

can be opened
in a new
window.

Many of the
practice tests
are timed.

Sample
Question

For additional LearningExpress Library Information:

- You can stop and return to a test you are taking at your convenience by clicking **Finish Later**.
- During the test, you can go back and change your answers to any question. However, once you select **Score My Test** you can not change your answers.
- If you are taking a timed test, the time remaining to finish the test is displayed at the top of the screen. If you choose to stop the test at any point, the clock will continue where you stopped when you return to the test. You are able to finish the test after the timer runs out.
- Ask your local reference librarian.
